

Reports: Participants: Lapsed Participant Report

The Lapsed Participant Report provides a list of children who have not been checked in for attendance or meal count for at least 90 days. This will help sponsors and sites keep track of participants that should be set to “inactive”. The Lapsed Participant Report is a “real-time” report and includes all types of participants except those marked to “inactive”.

To run the report:

- Click the green “Run Report” button.
- A hyperlink will appear called “Download Report”.
- Click the hyperlink to download or view the report.
