

Reports: Claims: Zero Meal Count Report

The Zero Meal Count Report lists dates and meals where no meals have been entered. This is especially helpful for sponsors that provide meals and snacks to sites and retain more than 15% of the reimbursement.

The only selection required for the Zero Meal Count Report is the date range.

To run the report, make your selection and click the green “Run Report” button. A hyperlink will appear called “Download Report”. Click the hyperlink to download or view the report.
