

Site claims can be run individually or for all sites under a sponsorship at once. To run a claim individually, refer to the guides on claims processing. Claims that have been “Submitted to Sponsor” (i.e. through step 3 in the claims process) will be included when processing claims in bulk.

**To run claims in bulk:**

- Click on “Claims” on the main sponsor dashboard.
- Select the month/year for claims processing.
- Click the green “Create Claims” button. The claims creation process may take several minutes depending on the size of the sites and their configuration.
- Completed claims will appear on the screen. Clicking on the name of the site will take you to the Claim Summary page at the site level.
