

You may delete a menu as long as the meal has not been included in a claim. If a food production record has been created based on the menu, deleting the menu will ALSO delete the food production record. This is to ensure that the menu and food production record always match.

To delete a menu for a single day:

- Click on Menu on the main dashboard.
- Click on the date and meal that you want to delete.
- Click the red “Delete Menu” or “Delete Infant Menu” button.
- The menu is now deleted and the fork/knife icon disappears from the menu calendar.
