

Participants & Rosters: Households & Participants: Deleting an Income Form

You may delete an income form as long as it was effective for a month in which a claim has not been processed.

To delete an income form:

- Click on Participants & Rosters on the main dashboard.
- Click on the name of the primary guardian for the household OR click on the name of a participant and then navigate to “Household” using the breadcrumbs menu at the top.
- Click the blue hyperlink that says “Delete Income Form” next to the form you’d like to remove. **NOTE:** if you don’t see this hyperlink, it is because the income form is not eligible to be deleted because it was in effect during a month that has been claimed.
- The income form is now removed.
