

Participants & Rosters: Using Participant Search Function

On the main participant screen, you can use the search function to quickly find children.

Below are the options for using the participant search function:

- Participant, Roster, Birthdate, Guardian & City are all fields that can be searched by typing a word or words.
Note that an exact match is required. We recommend you use the shortest string of characters as possible in order to broaden search results.
- Status can be filtered by the four available statuses (Active, Inactive, Incomplete, Pending).
