

Menu: Grocery Estimate: Record Substitution for Special Dietary Needs

You must create a grocery estimate prior to recording substitutions for special dietary needs.

To record substitutions for special dietary needs:

- Click on “Menu” on the main dashboard.
- Click on the date and meal for which you would like to record the substitutions.
- Click on the blue “Edit Grocery Estimate” button in the lower right corner.
- At the bottom of the screen, click the blue “Record Substitution for Special Dietary Needs” button.
- Select the participant you would like to record the substitution for.
- Enter information in the following fields:
 - Food Omitted
 - Food Substituted
- Select whether the substitution was provided by the parent.
- Click on the green “Save” button.
