

My Food Program can be used to verify that attendance and meal counts do not exceed licensed capacity.

To configure this setting, use the “Licensing Age Range Errors” option in Site Details:

- Click on “Site Details” on the main dashboard.
- Make the appropriate selection on “Licensing Age Range Errors”:
 - “Ignore” means that My Food Program will not check that attendance and meal counts are within licensed capacity.
 - “Error” means that My Food Program will check that attendance and meal counts are within licensed capacity.
- Click “Save”.

Before adding the Site Licensing information in Site Details, ensure that the licensing age ranges are correctly configured at the sponsor level. See separate instructions for details.

To add site licensing capacity:

- Click on “Site Details” on the main dashboard.
- Click on the blue “Add License” button.
- Enter a number in the field for “Capacity” and select the appropriate license age range.
- Repeat the “Add License” process until all license age ranges have been entered.
- Click “Save”.
