

The State Agency Export Files includes a list of all the state agency claim upload files. Just select the state and site type for your sponsorship to generate the file.

To run the reports:

- Click on “Reports” on the main sponsor dashboard.
- Click the hyperlink for “State Agency Export Files”.
- Select the appropriate State.
- Select the month/year for the report.
- Click the green “Generate File” button. A hyperlink will appear - click the link to download the file.
