

Closure/Field Trip: Adding and Viewing a Closure/Field Trip

The “Closure/Field Trip” section of My Food Program is intended for sites to provide prior notification to their sponsor of a site closure or a time when the participants will be away from the site at meal time. This is so that a sponsor does not attempt to conduct a review visit on a day when a meal cannot be observed.

To add a new closure/field trip:

- Click on “Closure/Field Trip” on the main dashboard.
- Click the blue “Add” button in the upper-right corner.
- Complete the fields:
 - **Reason (required)**
 - **Date (required)**
 - **Meals not served at site (must select at least one)**
- Click “Save”.

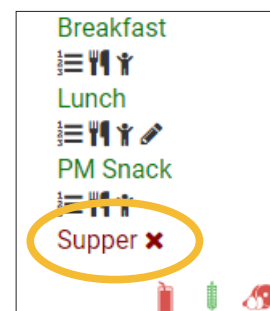

The screenshot shows a form titled "Field Trips and Closures". It contains the following fields and options:

- Reason Off Site: A dropdown menu with "Select" as the current value.
- Date Off Site: A text input field.
- Meals not served at site: A list of checkboxes for meal types:
 - Early Snack
 - Breakfast
 - AM Snack
 - Lunch
 - PM Snack
 - Supper
 - Evening Snack
- A green "Save" button is located in the bottom right corner.

A recorded closure/field trip will show on the menu calendar with a red X.

You will not be able to take meal counts for these meals. If you try to record a meal count you will receive the following error: “Site closure for this day and meal.”

If you record attendance and meal counts and then add the closure, those meals will be disallowed with the following error: “Meals/Snacks claimed outside of the operating days.”

Closures/Field Trips can be logged by either the sponsor or the site to indicate the dates when meals will not be served on-site and a review visit should not be conducted.

To view closures/field trips:

- Click on “Closure/Field Trip” on the main dashboard.
- Upcoming closures and fields trips will be displayed on the screen.
