TAKE ATTENDANCE & MEAL COUNTS

The first step is to add your site(s) to My Food Program.

Start by clicking on

. Then click on

to bring up the Site Details screen.

NOTE: only the required fields are listed below. If you see fields on your screen not listed here, feel free to fill them out. We're trying to get you up-and-running as quickly as possible by only listing what is required.

FIELD	DESCRIPTION
Name	Put in the name of your center as you want it to appear on reports
Type	Choose "Adult Day Care"
Legal Name	Enter the official business name of the center
Profit Status	Select Non-Profit or For Profit
Site Identification Number	Enter a Site ID. Usually this is issued by the state agency.
Status	Set your site to "Active"
Address, City, State, Zip	Enter the physical location of the center.
Daily Attendance Method	Select either "present" if you only need a record of whether a participant was in attendance or "in/out" if you want time stamps.
Meal Count Timeframe	Select "Point of Service"
Time Zone	Time zone matters because the mobile app restricts the entry of counts to the specific meal time.
Meal Count Method	Select "roster" if you want to check each participant in by name. Select "headcount" if you're just entering a number.
Meal Count Entry	Select from "Daily entry with separate screens for attendance and meal counts", "Daily entry with combined screens for attendance and meal counts", "Daily entry of meal counts only (attendance records kept outside of My Food Program)", "Weekly attendance and meal count from paper", or "Monthly bulk entry by name".
Licensing Age Range Errors	Choose "Error" if you are going to use My Food Program to check if meal count are within your licensed capacity. If you've got another system for that, select "Ignore"
Enrollment Form Errors	Choose "Error" if you want My Food Program to disallow meals if an enrollment form is missing or expired. Choose "Ignore" if you want those meals to be claimed.

Now it's time to add the participants to your site. Click on

If you have a spreadsheet of your participants handy, you can download our template and fill in the columns, then come

back and click on  , select your file, click the very top box to "select all" and click Save.

If you need to enter the participants one-by-one, start by creating your rosters. Click on  and repeat until you have all your classrooms listed. Many Adult Day Care Centers only have one room.

Next, click on  and then 

Complete these required fields. **NOTE:** we're just listing the fields that you have to complete in order to get started. If you see additional fields on your screen, feel free to complete them now, but know that it is not required information.

FIELD	DESCRIPTION
First Name	
Last Name	
Birthdate	Make sure this is accurate as it places the participant in the USDA age range for food and the licensing age range for the center.
Start Date	This is the date that the participant should begin being claimed for CACFP meals. All meals prior to this date will be disallowed during claims processing.
Status	A status of Active, Pending or Incomplete are for your recordkeeping purposes. A status of Inactive will remove the participant from lists of meal counts and attendance.
Roster Assignment	The roster for this participant (you can select more than one)

Click  and you're done!

If this participant has a spouse in care, click  and go through the same steps above.

If a participant does not have a spouse in care, click  at the top and then 

Repeat the steps until you've entered the information for all your participants.

You're ready to take attendance and meal counts! On the web app, from the main dashboard click on:

Then select the Date, Roster and Meal:

Side By Side Entry

Date Roster Meal

- 1** Click on "Daily Attendance" if the participant was in attendance for the day.
- 2** Click on "Ate" if the participant was served a reimbursable meal or snack.
- 3** Select "Meal Outside of Normal Schedule" if this applies.
- 4** Select "Disallow Meal" and Select a reason from the dropdown menu, if this applies.

Notes to Sponsor

ID	Name	1	2	3	4
41	Roger Jones	<input type="checkbox"/> Daily Attendance	<input type="checkbox"/> Ate	<input type="checkbox"/> Meal Outside of Normal Schedule <input type="text" value="Reason..."/>	<input type="checkbox"/> Disallow Meal <input type="text" value="Select"/>
6	Gavin Parker	<input type="checkbox"/> Daily Attendance	<input type="checkbox"/> Ate	<input type="checkbox"/> Meal Outside of Normal Schedule <input type="text" value="Reason..."/>	<input type="checkbox"/> Disallow Meal <input type="text" value="Select"/>

Click and you're done!

Notes:

- You cannot click "Ate" until you have clicked "Present" – this prevents a meal from being recorded without attendance.
- A participant only needs to be checked in as "Present" once during the day. The "Present" button will already be checked if you navigate to meals later in the day.
- If you remove the check from the "Present" column, you are removing the attendance and all meals for the day.
