

To record attendance and meal counts on paper:

- Print the meal count and attendance sheets from the web app by clicking on "Enter Attendance & Meal Count from Paper" on the main dashboard.
- Select the week and roster for which you would like to print the paper forms and click "Submit".

08/06/2018	Roster:	Toddler	~	Submit						

- You will now see a list of participants that are assigned to that roster along with a list of the meals served. Scroll down the page and click the green "Print" button on the bottom-left corner to generate a PDF for printing.
- You may need to adjust your printer setting, especially the "fit to page" to ensure that the page prints correctly.
 We also recommend turning off headers and footers during printing. Note: if you would like to print paper forms for all rosters simultaneously, this can be done in the "Reports" section. The paper forms generated in reports have a slightly different appearance than the paper forms generated using the method outlined above.

- Click "Save"
- You should retain the original paper forms after entering the information into My Food Program since the paper forms were the ones recorded at point-of-service.
