

JUNETEENTH FLAG SUN CATCHER

Materials

- Contact Paper
- Double-Sided Tape
- Red, Black, and Green Tissue Paper
- Scissors
- 3 Bowls

Directions

1. Cut approximately one inch squares of red, black, and green tissue paper and place the squares into bowls divided by color.
2. Cut a rectangle shape out of contact paper and secure it to a window using double-sided tape, sticky side of contact paper facing out.
3. Attach tissue paper squares to the contact paper to create the Pan-African flag.

Hints and Extended Learning Opportunities

- For younger children, cut squares of tissue paper ahead of time and draw lines on the flag so they know where to place each color of tissue paper.
- Read as a group, *Juneteenth for Mazie* by Floyd Cooper.
- Host a Juneteenth Jamboree or Festival of Freedom.
